

Bronchiolitis Advice Sheet

We have been provided with the NHS Bronchiolitis Advice Sheet for children aged 2 years old and under. The Advice Sheet will be on the notice board in each room in the nursery.

Staff changes

School Room

In February you were informed of Saneela's promotion to Deputy Manager. Saneela's predecessor, Tessa, has reduced her working days and as a result is no longer the Deputy Manager. Tessa will however continue to work in the nursery.

We would also like to welcome Kylie to the nursery. Kylie will be based in the School Room and is currently Level 2 qualified and will be training for her Level 3.

Conservatory

During April we are having a new conservatory added to the back of the nursery which will give us more space. We are doing our best to plan the building works so that there is as little disruption to the children as possible. We do however apologise in advance for any inconvenience during this time.

On the morning of Thursday 17th April all the children will participate in an Easter Egg Hunt.

Scrummies Pre-School Rugby

Scrummies will be visiting the nursery for a complimentary trial class on Wednesday 16th April at 9.30am. This is for children between 18 months and 5 years. If you do not want your child to take part please let your Room Leader know in advance.

It's getting warmer

Please can you provide us with suncream so that we can protect your child when they are outside playing.

St George's Day

We will be celebrating St George's Day on Wednesday 23rd April. The children will enjoy High Tea in the afternoon with cucumber sandwiches and scones in the garden (weather permitting).

Time keeping

Please be aware that late pick-ups are charged at £5 for every 15 minutes (or part thereof). We have strict regulations for child/staff ratios and therefore need to ensure that children are picked up on time.
