

Nursery improvements

We would just like to say thank you for your patience whilst the Conservatory was under construction. The garden has also been re-vamped however this is an ongoing project. We are hoping to have it fully completed very soon.

Early starters

Please use the main front door for children arriving for 7.30 starts as the conservatory is now being used to accommodate those children.

Unless you have booked your child to start at 7.30 please do not drop your children off before 8am as we only have staff ratio to accommodate those children booked in.

Thank you to all those who kindly donated / sponsored the Millwood Ladies in the Race for Life this year. Although it rained heavily towards the start all the girls made it to the end and had a great time! Well done to those who participated. We managed to raise £441.92 ☺

School Leavers

On June 9th we took 26 children on the School Leavers trip to Windsor for the day. We all had a wonderful time. Photos of the day are on display in the School Room for everyone to see. We will miss the children very much, some who have been with the nursery since they were very young but we wish them all the best with the next chapter in their life.

If your child is leaving and you have not already done so, please can you inform us of their leaving date as soon as possible so that we can inform Bucks CC to cease their funding. Please can you also ensure that your account is fully cleared prior to their leave date.

SUMMER FETE Friday 8th August 2pm - 4.30pm

We will be holding our annual Summer Fete and hope that you are able to come along for the fun! This is a great social event for parents and children to get to know one another.

For those parents who would like a stall please speak to Margaret. Any contributions for Tombolas / Raffle / Toy Stall / Cake stall etc would be much appreciated.

All funds raised will be donated to **Tree of Hope**.

Tree of Hope offers hope to the families of sick children who need specialist medical surgery, treatment, therapy and equipment in the UK.

Please visit www.treeofhope.org.uk for more info.

Staff Changes

Trends are certainly proving, according to our occupancy levels, that mothers are tending to opt for the full 12 months maternity leave where possible.

Therefore our Baby Unit has many vacancies, whereas our Teenie Room and Tweenie Room are at full occupancy for most sessions. Therefore as Lauren is our Deputy Nursery Manager with 12 years' experience at Millwood House she will now be based in the Teenie Room from where she can oversee the busiest parts of the nursery, the Teenies and the Tweenies. Adele will replace Lauren upstairs in the Baby Unit to work alongside Kim who is the excellent Level 3 Baby Room Leader. Adele has worked at Millwood House for 5 years and has her Level 3 and is currently working towards her Foundation Degree in Early Years Practice. Aamina who also has her Level 3 has kindly agreed to be flexible and move between the Tweenie and Baby Unit to cover staff holidays over the next few weeks.

Aman who currently works in the School room will sadly be leaving us later this month to return to her family and home town of Wolverhampton. Aman will be missed by everyone and we would like to wish her the best of luck for the future.
